## COMMODORE

Well we have completed another year/season and the Final Bash is over. **Cheryl Roberts, Angie White**, and the other helpers did a great job with the Final Bash. I think we had a good year...C-Dock was replaced, membership remained strong, the water level remained high all summer (a couple of times too high), racing had a good year, our social leader introduced a fall hayride (which was a great family event), the IUPUI group hosted a Big Ten regatta, and the new junior program got off to a great start. In case you have not heard, **Tyler Andrews** qualified for the Olympic trials!

As your new Commodore, I am challenged to maintain the level of leadership **Max** and previous commodores have established.

Our list of wants and needs seems to never end and the amount we do is limited by the money we have. The Board must establish budgets based on the money expected to be available. Most of our income comes from the members (dues and initiation fees), so the only way to get more money is to bring in more members or raise dues.

We are a family club; events are meant to include families and we try to keep the fees low so families can enjoy the Club. The only way our Club can sustain itself over a long period of time is to keep bringing in new young members to replace some of our older members who retire and move away.

The planning that takes place over the winter sets the course for the events and expenditures for the coming year.

The one thing we all need to remember is the Club runs on the work of volunteers. So, if you see a need, pitch in and help. You may be surprised at the returns you will get for your efforts.

# Telltale

Nov/Dec

2003

I have a few goals I would like to see accomplished in the upcoming year, but most important is for the Club to continue to be a place for all to come and visit with friends, have fun, and enjoy the wonderful sport of sailing.

So let's hoist the mainsail, trim the jib, and have another superb year.

**Don Birt**, Commodore

## VICE-COMMODORE

I would like to take this opportunity to introduce **Bob Hickok** as our Harbormaster for the upcoming year. Bob was our Safety and Education Chairperson this year. I know he'll do a great job.

HUGE thanks go out to my assistant **Jim Dolder** for all of his help this year!!!!

It has been my pleasure serving you as Harbormaster. Meeting and serving members both new and not so new, has been great.

## CLUB STATS

Members:	264
Slip waiting List:	75 (28 passed)
Water Level:	789.15 (790 normal)

I especially enjoyed getting the opportunity to let members on the dreaded "Slip Waiting List" know when they got a slip assignment.

We've accomplished a lot this year and I want to thank the many volunteers who have put so much into this Club. As I've said many times, "The spirit of volunteerism is alive and well, and it's what makes this Club the special place it is for me."

**Rick Sprowl**, Vice-Commodore

## HARBORMASTER

Hi everyone, can I get a big round of applause for **Rick Sprowl**. He's accomplished a great deal at the since taking over as Harbormaster (new docks, sand, gravel, parking, sail lofts, just to list a few). Now he's moving on to Vice Commodore and leaving a legacy. Thanks Rick, I don't think I can fill those shoes, but I'll give it my best shot, plus I've got your number on speed dial. And, if you feel the need to take the tractor for a spin, help yourself.

Work Parties = work credits!

Thanks to all who helped out packing the club for winter. If you haven't received your Harbormaster work credits by Christmas, call or email me (852-9227 bobbyc12345@aol.com).

Winter Parking is still the same fee as last year \$60. The cutoff date for moving your boat off the grounds will be December 21st; same as last year. All boats on the grounds that day will be charged the winter storage fee. Keep in mind we might have to adjust the parking of boats in the lots to have access or make room for other boats being stored for winter.

Membership dues reminder for next year. Prevent the unthinkable and get them in early. I don't want to have to tell you that your slip's been forfeited because you've missed the deadline, so here's early warning!

Used **boat batteries** or **hazardous material** should not be disposed of in the dumpster!! We found three there last week. We wouldn't want to lose our trash contract because of carelessness. Instead, use the back of **Bruce's Bronco**.... no... too much hazardous stuff there already.

Seriously, the best place on the Northwest Side, run by the city, is **Trader's Point Tox Drop**...located at 7400 N. Lafayette Road between the DOT salt barn and Farm Bureau Co-Op. They're open the first and third Saturday of each month between 9am and 2pm. They accept all Hazardous Waste. Any questions call them at 327-4869.

**Bob Hickok**, Harbormaster

## RACING

It's not quite over yet! The last race of the year will be the Friday-after-Thanksgiving Regatta, November 28th. Skipper's meeting about 11:30am. **Dr. Bob** promises good wind, GREAT AWARDS (hand made Burgee's by **Sharon**), and a whole lot of fun. There's no cost to participate! You don't even need to have a boat. Just show up and put out your thumb. The past couple years the weather's been pretty good, too. So, with a little luck...this year will be the same. Besides, you need to do something physical to work off the big Turkey dinner...so plan to come on out for the final races of the year and find out who will be the BIG TURKEY this year!

Since the RACE MEETINGS were so well attended last year...they're BACK! Our goal is to better prepare you to HAVE MORE FUN RACING next season. All ECSC members are invited...whether you've raced before or not. Invite your crew if you want, too. The meetings will be held the FIRST WEDNESDAY of each month all winter beginning in December at Sport Bowl.

Sport Bowl is located one mile north of I-465 on the south side of town. Exit 2A heading towards town from I-465. It's on the west side of East Street (that's US 31) directly across from the Ford dealership.

The December meeting will be used to evaluate this season's racing program and gather ideas on what everyone would like to see happen in 2004. Let's talk about what went right, what could be done better, and brainstorm ideas to get even more people involved next year. Last winter, the meetings focused on the Rules of Sailboat Racing. Since you are all now experts on the rules, this year we'll focus on tactics and tricks to make your boat go faster.

Race meetings: 1st Wednesday each month at 7pm. Snacks and beverages will be provided. All meetings will end before 8:30pm and we'll retire to the lounge for libations and talk. Those that want to bowl, can do so for free following the meeting.

Sailor of the Year: **JACK HALE**

I'd like to thank everyone who ran a race, worked a regatta, or did safety this year. ECSC is truly blessed with an amazing group of volunteers. In particular, I want to thank race assistant, **Bruce Cameron**, for all of his extra help to make this year especially enjoyable for everyone and easy for me.

And, I want to recognize the following for their extra effort to make this year's program a huge success: Scoring – **Mike Kaschak**, PHRF – **Mike Gray**, Fuel – **Mike Vaughn**, Awards – **Eileen Leonard**, WebSite – **Bill Harrington**, Ladies' Racing – **Janet Hickok**, and Seamstress – **Patti Kaschak**. Couldn't have done it without all you...Thanks!

## **IUPUI SAILING**

Hi All....

IUPUI's first Intercolleigate Regatta on October 4-5 was a big success. Thanks to everyone who housed students and helped organize and run the regatta. We had a great turnout of 9 teams and over 40 collegiate sailors. All the teams who came said they had a great time and want to come back again next year.

Special thanks to **Wayne Myers** from Eagle Creek Sailing Club for doing a great job on the Race Committee boat **all** weekend. Saturday conditions were just about perfect with winds ranging from 10-20 knots and lots of action on the water including capsized boats.

Racing was very competitive which made for an interesting weekend.

## MEMBERSHIP

I'm **Rich Fox** and I will be working as your Membership Chairman for the upcoming year. You may reach me by phone at 317-815-8599 or by e-mail at [ecsc2004@yahoo.com](mailto:ecsc2004@yahoo.com).

Thank you to **George Alyea** who did a great job with membership during the past year. I also appreciate the time George has taken to transition the membership activities to me.

If your address has changed and your TellTales is forwarded to your new address, please e-mail me your new address ASAP to ensure the 2004 Membership Annual Dues and Fees Statement is directly delivered to your new address. Please use e-mail address [ecsc2004@yahoo.com](mailto:ecsc2004@yahoo.com) or call me at 317-815-8599.

Harbormaster **Bob Hickock** has already noted that winter storage fees will be assessed in December for any boats and trailers that are on the Club property and docks. Fees will be reflected on the 2004 Membership Dues Statement.

The 2004 Membership Dues Statement will be mailed out in early January. They are due no later than March 1, 2004 (postmarked). Please send your 2004 membership dues in early to avoid being late. If you are late, I have the unpopular job of informing you that you will lose your slip and placed on the bottom of the slip wait list.

In 2004, the Eagle Creek Sailing Club membership team will host several New Member Orientations and at least

## SAFETY AND EDUCATION

### LOOKING BACK AT THIS SAILING SEASON

**Bob & Janet Hickok's** leadership has been 1st class. With coaching our juniors to two championships, setting up and running races with the juniors of the Indianapolis Sailing Club (Giest), and working with our college fleet. these will be large shoes to fill. Many thanks are also due to **Dr. Bob, Tony & Joyce Hubbard, Rick Graef, Chris Murray, and Tom & Pam Moore** for their hard work.

### TOP JUNIORS THIS SAILING SEASON

**Tyler Andrews, Jason Hubbard, Ki Hickok, and RJ Graef** had a fantastic season. Thanks go to **Our Club Members** who gave support to these juniors.

### DREAMS CAN COME TRUE

Ask **Tyler Andrews!** With lots of hard work on the sailing course and in school, this 16-year old has qualified for the U.S. Olympic Trials in Houston, Texas.

Our sailing Club has set a record that will be hard to surpass in 2004.

## **WE ARE ONE OF THE TOP INLAND SAILING CLUBS IN THE U.S.**

### WHAT'S COMING UP NEXT YEAR ?

We are trying to update our laser fleet. A request has been presented to the ECSC board to purchase new boats for the 2004 season.

Then, we'll be adding a new dock on the beach with the

help of the Harbormaster and **Kenny Chapman** doing most of the work.

### CHILI COOK OFF

The 2003 Hornback Chili Cook Off was one of the best yet! Part of the best ingredients was the smiles from the children...when they got to pick out their pumpkins - then, the smiles from the families, as they watched the children.

There were 14 entrees! Each and every Chili was FANTASTIC—prepared by the people who know how to make top quality. I personally loved them all.

It was a close vote on every entry, but the Club members and guests picked the following as the winners:

### 2004 CLUB OFFICERS

Commodore:	<b>Don Birt</b>
Vice Commodore:	<b>Rick Sprowl</b>
Secretary:	<b>Dave Fort</b>
Treasurer:	<b>R. Thomas Moore</b>
Chairman of Board:	<b>Max Gray</b>
Harbormaster:	<b>Bob Hickok</b>
Racing:	<b>Charlie Brehob</b>
Social:	<b>Cheryl Roberts</b>
Membership:	<b>Rich Fox</b>
Publicity:	<b>Evan Williams</b>
Safety:	<b>Wayne Myers</b>

3rd place was **Edna Sprowl** - receiving a Greatland folding bag chair, which is suited for camping, picnicking and relaxing.

2nd place winner was **Dan Grace** - receiving a \$20 gift certificate from the ECSC club store...to pick from high quality goods the item that will fit his needs the most.

1st place went to **George Sechrist** - being presented with a \$35 gift certificate to any of the Simon malls to find just that right item for home or boat.

Other participants where awarded painted pumpkins, created by **Jennifer Fisher**.

Several comments were made about the decorations, designed to set a warm fall mood...and the temperature, which was perfect to enjoy our Club family gathering.

We would like to thank our staff, which worked hard to bring the 2003 Hornback Chili Cook off event to life: **Ed & Fran Rice, Jim & Jennifer Fisher, Tamara & Melissa Knapp, Rick Luke, and Kevin Lyon**. Also, a special thank you to Fresh Produce Bilskie - 2940 West 79th for having the biggest pumpkins and variety I've ever seen... and for donating some of the decorations.

Point to Ponder: We can lose a Friend by keeping them safe. Or, we can lose a Friend by doing nothing. If you care about a Friend, chose the first option. The second one may never be an option.

Good sailing to all of you!

Sincerely.....

2003 Hosts: **Michelle & Roger Knapp**

## SOCIAL

For those of you who missed the Final Bash, I would like to thank again those people who volunteered to host social events at the Club this year – **Bill Harrington, Jack & Karen Hale, Roger & Julie Black, Greg Branham & Carole Dellova, Rich & Angie White, Roger & Michelle Knapp**. Also, a big thanks to **Max & Judy Gray** for the Commodore's event, **Harold Hankins** for his contributions at the Hayride, and finally, my wonderful husband, **Bruce Roberts**. I would also like to extend a very **special** thanks to **Angie White**, for being my assistant this year and for graciously volunteering again next year.

If anyone is interested in hosting an event or has an idea for a social event for 2004, please e:mail me at cyroberts@indy.rr.com.

Looking forward to 2004 - mark your calendars for Saturday, February 7th. I am planning a one-day ski trip to Perfect North. (weather permitting). Look for more details on this event in the next Telltales. We will not be doing the bus trip to Chicago this winter, but will again next winter...making this a bi-annual event.

I would like to wish everyone a wonderful holiday season and a prosperous New Year!

## TAILER'S TIPS & TALES

Hello to all of the good people of the Eagle Creek Sailing Club. My name is **Otis** and I will be filling in for **Tailer** as he/she has come down with a double dose of some stupid ailment that nobody has ever heard of, not to mention we think he/she's a darn liar.

Anyway, he/she is on sabbatical some place warm on his/her 60 foot sloop (At least he/she says that's what he/she's doing...pant's on fire!). Until such time, "a temporary staff writer (me, Otis) will be used to present the latest gossip in the most factual and professional manner". This was the quote **Evan** "da edita" dips us in as we were trying to figure out how that little dish rag Tailer gets so much time off.

I know I sound a little cynical, but you will either get used to me or you won't.

On to the news!

Bald Eagles seen on Eagle Creek Reservoir? Wouldn't that be something? Well, I did see some on the weekend of the Hornback Regatta/Chili Cook Off/Rock Climbing Challenge. Bald Eagles are so majestic in flight and it seems they have been seen performing nesting behavior. There was a great write-up in the real paper the other day.

Speaking of birds, **Bill Freihoffer** has begun building the Purple Martin house for the Club. Martins are voracious mosquito eaters and pretty tolerant of people too. The house Bill is donating is no section 8 housing edition. It's a 24-unit 6-sided 4-level apartment house specifically designed for Purple Martins. The house will sit at top of a retractable 14' pole with a view of the ramp.

You see, Martins have special requirements in that they like to swoop or glide up to the front door of their home. So, they need space to glide. Of course, bugs are a good thing, too. Bill says the Martins send out scouts in early April to look for POSH accommodations. I, on the other hand, suggested to Bill that we kill a couple of them somewhere, stuff them, and glue them to the house to get the others to come on down for a visit. At this point, Bill kind of looked at me out of the side of his head and reiterated to me about the scouts.

Good luck to Bill.....

On to Otis's tips:

1. Never rock climb at the Club without a license. We could lose our insurance FOREVER!
2. When there is a regatta, dancing is on Saturday evening. Always!
3. If the pressure sprayer is off, bucket wash your boat's bottom by the ramp (only if there is no line to get boats out).
4. The gray water tank (by the sailing school) is still the best place to dump your port-a potties.

## FLARES

I almost called 911 Friday, Halloween Day (since there's no Coast Guard on our Eagle Ocean).

While taking down the mast of a boat at the public side, I saw a sailboat shoot up an aerial flare. Only one reason I know of to do that -- **trouble** (and not our Club canine). I went down and stood on the end of the dock. The boat shooting the flare was about half way up to the children's prison.

I flagged down the Imposter, who was sailing close by, and yelled at him to sail up there and check it out.

The Imposter came back later and said everything looked OK...no one drowning, no boat sinking, no trouble, etc.

So, I just wrote this one off to some bozo crying: **Wolf !!!** ...and hoped it wasn't going to be a fad on our lake.

On the other hand....straight from the Curmudgeon's Counsel:

If lost in the wilderness, don't shoot a signal flare to facilitate your rescue.

This is what started one of the recent San Diego, California fires, which led to the loss of 2,232 homes, 14 lives, and over 281,000 acres burned!
