“Big Boat Sailing for the adults”
Let’s have fun and go sailing

Reagan Lessick and the Safety & Education Committee
are introducing a new program to teach keel boat sailing for adults.

Reagan is a 3-year US Sailing Instructor. She also worked as head instructor at the 2018 ECSC Summer Camp. This year she will serve as our ECSC Jr. Sailing Team Coach.

She started sailing and racing at the age of 12 in the Opti class boat and moved up to Laser Radial Rig. She trained very hard for 7 years on the water and in the weight room.

At the 2018 Jr. Bay Week Reagan was the top Jr. female sailor. She Finished 6th overall with a first place win. Reagan has the love of teaching & all of the responsibility that comes with years of teaching and racing sailboats.

Drop her an e-mail, and go sailing this spring!

My hat is off to this young lady!

Wayne USA996

PS. She has Hunter 216, some say “very fast.”

Please e-mail her for more info: saillessons@ecsail.org
