

Covid-19 Policy:

Updated 2/1/21

To the Members of Eagle Creek Sailing Club,

The ECSC Board Officers and Committee Chairs will continue to monitor the COVID-19 health crisis. The club leadership, respectfully, asks that all ECSC members and their guests follow the recommendations and/or **mandates of our local, state, and federal authorities** as they are developed, implemented, or changed for the foreseeable future, or until restrictions are otherwise lifted.

This encompassing policy supersedes any conflicting policy or procedure previously posted.

Thank you for your continued cooperation and commitment to safety.
